Dress easy. Feel comfortable. Stay chic

# THE NEW URBAN

AUTUMN/WINTER 6

Step into a collection where modern structure meets effortless femininity. Rich shades of deep plum, dark khaki, and night blue create a bold yet timeless foundation, softened by touches of olive and mauve for a refined sense of contrast. Delicate lace details and contemporary check prints add texture, depth, and character to every silhouette.

Designed for versatility, the collection blends elevated daily wear with pieces that transition seamlessly into the evening. Tailored structure, soft fabrics, and thoughtful detailing come together to create looks that feel confident, sophisticated, and easy to style, whether worn casually during the day or layered and accessorized for a night out.
